Hi Eric,

Thanks for your letter. I will respond in full by Monday to each item.

I will combine the ~100 emails to/from @polysciences.com with the production I was planning to produce today per the Oct 21st letter and will produce it all for you at once on Monday October 26th by the end of business day.

I am willing to provide images of my notebooks subject to redactions of non-relevant personal information. Would Polysciences be willing to reimburse me if I go to a local copier and have them convert them to PDFs for me to redact and produce next week?

Thanks,
Mathew
